New Vista Society

LEAVE A LEGACY OF CARING AND
HELP OUR GARDEN GROW.

New Vista

is a place for living, a home-away-from home. That's because friendship, safety, dignity, independence and quality of life are our main concern.

We've created an environment in which our residents have close and continuous contact with plants, animals, children, and the community.

New Vista is a place where residents and tenants have the opportunity to give, as well as to receive; where friendships, meaningful activities and independence are paramount. It's dynamic. It's stimulating.

As someone who has been touched by New Vista, you are part of a special circle that celebrates and nurtures a tradition of compassion and caring that has deep roots in our community.

Please support that tradition, and pass on your caring and compassion to others, by including The New Vista Society in your will.

Charitable bequests are vital to the work we do. When you include The New Vista Society in your will you help us sustain and improve our services, programs and facilities.

Each of us can play an important role in the lives of others, not just in the present, but also in the future. Please leave a gift to The New Vista Society in your will and help our garden grow.
